

# A Farewell to Perry

Workforce Board & Staff  
October 13, 2021

# Master of ceremonies, master chef

It's like he's got a black belt in cooking. Look out!

**Also, a serious guy...**

# And a bit of a mover and a shaker!

# And oh so festive with the antlers...

# After all, festive is our middle name...

# Too many words, so little time...

# But he brings them to their feet!

# And (boo hoo!) so does this crew!

**And so does this former board member...**

# In fact, the whole Board bids you adieu!
